**Dear Friends,**

Last month I had a real adventure! I got to watch three young girls - five years of age and younger for a little less than two hours. I even got to change a diaper for the first time in over 15 years and I was successful! We colored, sang songs, talked about their favorite foods, and built/flew paper airplanes. I went home that afternoon and took a nap – I was exhausted! The experience made me respect young parents and especially mothers all the more.

As we enter this special season, consider the young Mary. She was a pregnant and unmarried teenager. What must have been going through her heart and mind? I know the scriptures record her being calm, expectant and jubilant but she surely struggled and wondered what all of it meant.

I have asked Lisa and our Praise Team to sing

Amy Grant's *Breathe of Heaven* – a wonderful testimony of struggle and petition for aid from God. We would all do well to follow her lead in order to make it through this time of commercialism and cynicism!

Please take the time to join us for our special services this month. They will help keep you focused as well.

Among other things I think we need to remember this Christmas is that we do not focus as some think on “baby worship.” Rather, we must connect the Cradle to the Cross. There is a striking piece of art

entitled *Destiny*. The artist wished to remain anonymous but it depicts Jesus as a toddler in his father Joseph's workshop. He is bending over to pick up a nail while the shadow from his body forms a cross behind him. A striking reminder it is and a preview of our Lenten 2012 theme of “Nails”!

As we travel through the month ahead, may we find time in our church's theme of “A Season for Angels” to celebrate the birth of the One who would change the world forever by offering His life to offer us the greatest gift we will ever receive. I hope you will join us for several special services we have worked very hard on to spread the joy of the real reason for the season.

*Merry Christ-Mass to you and yours!*

*Bill*

## Pastoral Assistant

Bob Brewster's synopsis last month of what Clinical Pastoral Education (CPE) is all about was quite accurate. Within the very first half hour of my first 24-hour solo shift as chaplain at Florida Hospital Memorial Medical Center in Ormond Beach back in September, there was a Code Blue (death) in the Emergency Department, making me immediately aware of the intensity of this program. In addition to ministering to patients and staff during our assigned overnight shifts, weekly classroom sessions are sometimes even more intense as we focus on our own innermost, deepest feelings and reactions regarding our ministry at the hospital, as well as sharing life-history experiences which may have affected our ministerial responses, either consciously or subconsciously. Classroom time frequently evolves into counseling sessions for ourselves, often quite emotionally. CPE has been an amazing learning and growth experience

spiritually, professionally and personally towards my goal of Licensure as your Assistant Minister here at POUCC – hopefully not too far beyond the two-year mark in April 2012 -- but I must admit that I definitely will celebrate my completion of CPE December 22<sup>nd</sup> so I can again elevate to its proper priority my focus on you, my church family. I am sure Pastor Bill will be happy to have his Pastoral Assistant available on a more regular basis as well!

I want to thank you all for your patience, understanding and support throughout this four-month chapter of my life which appropriately ends three days before Christmas – introducing yet another chapter of service and love as we celebrate together the birth of our Lord and Savior, Jesus Christ. May we all be renewed in His spirit as we walk hand-in-hand into the future of Port Orange United Church of Christ.

*Have a Merry and Blessed Christmas!*

## Missions & Outreach

### Dear Friends:

November was a busy and exciting Month, thanks to YOU!!!!!!

**The MISSION ONE FOOD DRIVE** was very successful!! You donated 854 items!!!! Our goal was 320!! PLUS you donated many jars of Peanut Butter for **CROP WALK**. I do not have a final count yet, as soon as I receive it, I will notify you. Additionally, \$150.00 was donated to CROP Walk. We thank **Kay Taylor** for coordinating the CROP Walk activity for our church. We had no walkers this year as it was the same Sunday as Pastor Bill's Installation

as our Senior Minister. If you have not submitted your donation to Neighbors In Need, it is not too late. We thank you !!

We are now in **Advent** and with it our participation in the angel **ANGEL TREE** activities! Once again this year we are continuing our support of the children of the Palm Terrace School as recipients of the Angel Tree gifts. There will be two Angels for each child, one is for a warm clothing item, such as a hooded sweatshirt, sweater or jacket. The second Angel will be for an age appropriate book. We decided that a book can be used by the family for a long

time, whereas a toy can be gone in a few days. Many stores are featuring children's books during this Christmas season.

Also we will have envelopes for folks who would like to donate funds to help those in need have a nice Christmas Dinner. **The Angel Tree is up** and the **gifts and donations must be in by December 11<sup>th</sup>** as School closes for the holiday on December 15<sup>th</sup> and we must deliver all items to the school no later than December 12<sup>th</sup>. **THANK YOU FOR YOUR SUPPORT OF THE ANGEL TREE!** (read more next page)

We also provide a “Christmas Stocking” containing toilet articles and something for a “treat” for each Resident of **Palmetto House**. Currently there are 70 residents, 30% are women and there are two children ages 5 and 9. We are inviting you to donate toothbrushes and tooth paste for the stockings. There will be a box in the back of the Sanctuary that you can deposit them in. WE thank you for supporting this project.

The Christmas Fund Offering we receive in December is for Retired Ministers and their families.

These funds help them with expenses that their pension might not cover. It shows our faithful Clergy that we appreciate their service to our churches and congregations!

**WE**, the Mission Team, **Thank You** for your support of **ALL** the Mission Activities we have throughout the year, -

*Sue Batturs, Jeanette Campbell, Kathy Cratin, June Ferreri, Liz Mills, Kaye Taylor, and Chuck Konopsky*

**A “HANGING OF THE GREENS” THANK YOU!**  
When Bob Brewster suggested

that we accomplish the Hanging of the Greens in a mere 1 1/2 hours’ time, I thought to myself: “Sure, like that’ll happen!” I stand corrected, because **HAPPEN, IT DID!** Thanks to these faithful servants from both services who worked from 9:00 AM – 10:30 AM Saturday, November 26<sup>th</sup>, the sanctuary and Jim Reed Building blossomed forth into Christmas adornment more radiantly than ever! Ric and Barb Pountain; Nick, Stacy and precious little Isabella Clark; Bob & Ruth Brewster; Bill & Susie Greiff; Sandy Kransi; Sher, Tom, Tommy, Aydan & Blake Buller; Dalen & Liz Mills; Dee Dardeen; Jeanette Campbell; Tim & me. Y’all are **AWESOME!** Your church family thanks you! *Joyfully,* **Beverly Schafer**

**THRIFT STORES ARE A**

### **WELCOME ALTERNATIVE TO RETAILERS**

- As prices climb and in many instances quality drops, it makes more and more sense to shop at your local thrift store. Here at POUCC we do not have a large thrift store in square footage but what we do have is very clean and very well organized. We get many comments from frequent shoppers that these are the primary reasons they keep coming back. Our Thrift Store inventory is constantly changing and frequent visitors understand this fact. They come back often to avoid missing something. Our country’s economy is causing people to look more carefully at what they buy. Often times, the best gift is something unusual from the past with a special meaning to both the giver and receiver. Our thrift store provides this type of shopping “adventure”. Plus, we have “specials” where you can fill an entire shopping bag with whatever you want for one very low price. Be sure to tell your friends and neighbors about us.

## COMMUNITY EVENTS

## Getting to Know You

*(Each month we will be highlighting a different Thrift Store Volunteer)*

This month we start with -

**BARB POUNTAIN**—I am just a little farm girl at heart, raised on a 100+ acre dairy farm in Jewett N.Y. I attended W.A.J. (Windham-Ashland-Jewett) Central School and graduated in a class of 26 along with a feisty young man named Billy Mulford. I worked in dentistry and banking. Many years later after college and after living in different towns, countries and states; Ric retired from the USAF and we moved to Port Orange. One day I noticed a sign on the corner of Country Lane and Taylor Road that indicated the pastor was Rev. William Mulford. I just had to check it out!!! I felt welcomed here. I joined POUCC in March of 1999. With some guidance and encouragement from Jeanette Campbell and Jackie Gaither, I became involved in the Thrift Store and continue to see the love and support we provide to many people and organizations to this day.

It truly is a rewarding life as I see our "Thrift & Gift Store" grow and help others. I thank God for this opportunity!

## Operations Team Update

Operational Budget as of 10/31/11

	ACTUAL thru OCT 2010	Budgeted Amt. thru OCT 2011	ACTUAL thru OCT 2011
<b>Income</b>	\$150,883	\$143,397	\$140,166
<b>Expenses</b>	\$134,146	\$133,168	\$135,024
<b>Net</b>	\$ 16,737	\$ 10,229	\$ 5,142

\*Through October our income is down from both last year and budgeted. Expense is up from both last year and budgeted. The areas where income is down the most are tithes and facility use. Expenses are up most in the areas of insurance and building maintenance. Although we may not end the year as well as what was budgeted, we are still in better shape than previous years.

*Keeping the Faith!* - Susie Greiff, Asst. Treasurer

The **Operations Team** has started the 2012 Budget planning & review process. This projected budget will be presented at the December Church Council Meeting. Anyone with suggestions for next year's budget should submit them to the church office addressed to the Operations Team. Suggestions can be for saving and earning money as well as for expenses. The operations team has primary responsibility for managing all church funds approved by the church membership at the annual meeting in January. From time to time it becomes necessary to adjust expenses up and down or to reallocate funds based on changing needs. All this is done through careful review and approval by the Church Council. **If you would like join the Operations Team and participate in these responsibilities please let us know by calling the church office.**

### Stewardship Message

#### Too Good To Be True Giving

*"By the tender mercy of our God, the dawn will break upon us."* - Luke 1:78

These words come from the amazing poem known as the Benedictus, the blessing of Zechariah on his surprising "gift-son", John (the Baptist). Zechariah is one of those minor characters in the birth narratives of Jesus, often lost in the shuffle of shepherds and magi that populate our Christmas pageants. Yet Zechariah gives us a great gift for Advent: the gift of the skeptic.

When an angel told Zechariah that his middle-aged wife Elizabeth would have a baby, he did not believe it. All his life this man had been faithfully

servicing God; clearly he was a sincere believer.

He held onto his faith through the years of their infertility and who knows how many other problems in their lives. But when an angel promises something "too good to be true," the skeptic in Zechariah comes out and he rejects the God he has relied on when things have been truly bad.

This Christmas let us be about giving to the world in ways that are too good to be true. Let the skeptics see that love is more powerful than anyone expects it to be. Let us, in the image of God, give of ourselves in life-transforming ways beyond presents under the tree, just like Zechariah and Elizabeth and

John. Nothing about God is ever too good to be true! Merry Christmas.

*Rochelle A. Stackhouse is the Senior Minister of The Church of the Redeemer, United Church of Christ, New Haven Connecticut.*

**Note: POUCC Pledge cards can still be turned in at church on Sunday, mailed or dropped off at the church office.**

**RESULTS OF THE JOE COURY "AWAKE LEADERSHIP" CONSULT HELD SUNDAY NOVEMBER 20TH** - Thank you to all who participated. 47 church members were in attendance and when asked to pick from three areas of focus, the overwhelming majority picked **YOUTH/GROWTH** first and **EDUCATION** second. Missions was our third choice but all attending agreed that this was already a strength of our church. During the coming months the Church Council and various Church Teams will be looking at ways to create stronger emphasis and positive steps to move us forward in developing **YOUTH / GROWTH** programs.

## BUTTONS NEEDED

**Bernie Hunt is in dire need of Buttons!** She uses them for the beautiful greeting card ornaments that she makes. Anyone who would like to contribute to the cause will be very appreciated. Buttons may be left in bags at the church office or given to Bernie on Sunday (10:30am svc). Also, we need to thank Bernie for all she does as our official POUCC historian.

## CAMPBELL'S LABELS for Education:

Pick up a complete list of items in the Jim Reed Building and take a second to see if the products you're using qualify to earn points in the

Church's account. Recently more items were added. The points accumulated can be used to purchase classroom items for the Sunday School. Thank you to **Bernie Hunt** for managing this account for the Church.

## POP TOP FACTS

**The Pop Top Container:** For those who enjoy soaking up facts, did you know that a full 5 gallon container of pop top tabs holds approximately 26,880 tabs, which is about 1120 cases of soda can tabs. There are approximately 1792 tabs per pound and a filled jug weighs about 15 lbs.

In the past couple of years of filling the jugs, we have turned in five – 5 gallon jugs that generates \$ for cancer research. That's 134,400 pop tops!! **Let's keep 'em comin'!!**

## BRAIN TRICKS

**Prediction: Your result will be 18.**

- Think of a number
- Add 7 to it
- Subtract 2
- Subtract your original number
- Multiply by 4
- Subtract 2

**Explanation:** This problem gives the illusion of guessing an unknown number, but the unknown has been cancelled mathematically.

$$81 = 2 - 4 \times (x - 2 - 7 + x)$$

*Christmas is the season for kindling the fire of hospitality in the hall, the genial flame of charity in the heart.*

## YOUTH MUSIC GROUP GROWING

The newly formed **Port Orange Music Academy** began rehearsals at POUCC in November under the direction of Mr. Ed Clowers and his son Brent. Ed has been the music teacher at Spruce Creek Elementary School for the past 26 years and Brent is the Director of Bands at Holly Hill Middle School. They have brought their talents together to form the Port Orange Music Academy, Inc.

Local 3rd-5th grade students now have the opportunity to play the Flute, Clarinet, Saxophone, Trumpet, Trombone, Percussion and Bass. The POMA is utilizing the church sanctuary for their rehearsals and most recently the parking lot as they learn the art of "marching". They will be making their debut on Sunday, December 4, 2011 at the 2pm Port Orange

Holiday Parade. POUCC is proud to provide facilities to support children and the arts. Praise be to God!

## CHURCH WEBSITE

Be sure to pass our church website address on to others. [www.PortOrangeUCC.org](http://www.PortOrangeUCC.org) It is a great way to introduce our church and to show people some of the things we are doing. Here is the link for reading our newsletters online - <http://portorangeucc.org>

## SENIOR CHOIR

This past month, the choir lost one of its treasured members, **Suzanne**

**Holby**. Sue sang in our Alto section and will be greatly missed. For a time she also sang with the Contemporary Praise Team. Sue loved music and for this reason, the family has asked that anyone wishing to make a memorial donation in her name, please do so by giving to the **POUCC Choir Fund**.

## CHURCH FACILITIES LAND CLEARING

A **REMINDER** - Our church has a new outside user. (Weight Watchers will only be using our facility for Thursday morning meetings.) Every week day M-F from 2:30pm to 4:30pm there will be the sound of music coming from our sanctuary. Not the music of hymns or the organ but the music that comes from children learning how to play musical instruments. The students will be coming from across the street at the Port Orange Elementary School.

We are excited about this and hope this might create opportunities for more youth music ministry within our church.

The West Church Property has **been cleared!** Wow! What a job! We have heard many comments regarding the property's size. It is much bigger than most thought. Now, we need to decide on how to use this new space to enhance our church's presence in the community. Also, we will be having a property "Naming Contest". In addition the old church sign will see a "re-birth" as it will be placed on this property with a special message. Put your thinking caps on & watch for details. Special thanks to **Reid & Mary Hughes** for making all this possible.

During the coming Christmas Holiday and New Year's Seasons, we are planning to do many special things at our church in celebration of these joyous times. We hope you can join us for everything scheduled and invite you to tell your neighbors and friends about what we have scheduled. For many people, this is a wonderful time of joy and for others it may be less so where they need a helping hand or a welcoming voice. For all of us it is a time to be together to give thanks and appreciation for a caring God who watches over all of us.

## **POINSETTIAS FOR FLOWERS FOR CHURCH SERVICES**

The Christmas Season is now here! Part of this is the tradition of decorating our church sanctuary

with poinsettias for the Christmas Eve and Christmas Day services. **Everyone is invited to bring in a poinsettia plant the Thursday prior to Christmas December 22nd.** All poinsettias can be taken home or donated after the Christmas Day service. Please let the church office know you will be bringing in a plant or signup on the sheet posted on the church sanctuary back bulletin board.

- Each Sunday, we look forward to beautiful flowers in the sanctuary front. *Flowers can be donated to celebrate a date or be for the remembrance of a loved one.* Also, more than one display can be dedicated on any date so if someone has already signed up for a date that has special meaning for you, please do not hesitate to dedicate your flower display also. See **SIGN-UP SHEET** at the back of the church sanctuary.

### **STAFF Christmas Gifts** -

Envelopes are available in the Narthex for donations to our church staff. Gifts received will be divided equally between staff members to show our appreciation for all of the hard work they do throughout the year. Thank you in advance for your generosity and may God continue to bless the POUCC.

A little girl asked her mother, "How did the human race appear?" The mother answered, "God made Adam and Eve and they had children and so was all mankind made." Two days later the girl asked her father the same question. The father answered, "Many years ago there were monkeys from which the human race evolved." The confused girl returned to her mother and said, "Mom, how is it possible that you told me the human race was created by God, and Dad said they developed from monkeys?" The mother answered, "Well, dear, it is very simple. I told you about my side of the family and your father told you about his."
